Impression taking techniques for difficult deep margins  
Model & die preparation and assessment  
Temporary crowns - maintaining gingival health & aesthetics  
Cementation technology and techniques

## MINIMISING FAILURE BY IMPLANT AND PROSTHESIS DESIGN (PART 1)

DAY 2 | Dr Keith Doonan | SESSION 7

How and Why Zirconia fails and where not to use it.  
Factors affecting implant survival over the long term.  
Conservative Implant and abutment screw removal techniques  
Prosthesis design to minimise occlusal forces.  
Preventing open contacts around dental implants.

## MINIMISING FAILURE BY IMPLANT AND PROSTHESIS DESIGN (PART 2)

DAY 2 | Dr Keith Doonan | SESSION 8

How well do implant abutments really fit?  
Biofilm on reusable implant components.  
Confidence, Competence and Consciousness  
The effect of cusps on occlusal forces.  
The 6th Principle of Occlusion, the pseudo-masticular apparatus

SATURDAY 30 MAY

# REGISTRATION FORM

## THE PRESENTERS

**Dr Michael Mandikos** is a registered specialist in Prosthodontics. Michael received his Bachelor of Dental Science Degree with Honours, from the University of Queensland and in 1998 he completed a three-year residency program at the State University of New York at Buffalo (USA), graduating with a Certificate in Prosthodontics and Masters Degree in Biomaterials. His research was in composite resin materials and he has published several papers in Australian and international journals on clinical and dental materials topics. Michael was admitted as a Fellow of The Royal Australasian College of Dental Surgeons and aside from his private practice, Michael is a Visiting Specialist Prosthodontist to the University of Queensland Dental School and formerly to the Royal Australian Air Force. He is a Reviewer for several dental journals, and a product evaluator for several dental companies. Michael has presented continuing education programs at Dental meetings throughout Australia, Southeast Asia and the USA.

**A/Professor David Roessler** is a Prosthodontist in private practice in Sydney's CBD. He is also an Adjunct Associate Professor at the University of Sydney and has been a Keynote Speaker at many international conferences and has given more than 1000 lectures, workshops and hands-on courses in almost every facet of restorative, fixed and removable prosthodontics, aesthetic and implant dentistry in Australia, Asia, Europe and the USA. David has authored numerous publications and is an invited lecturer and examiner to both undergraduate and graduate students at a number of Universities as well as being an Examiner for the Royal Australasian College of Dental Surgeons. He is a consultant and a trainer for a number of dental companies.

**Dr David Roberts** is a past President of the Queensland branch of the Australian Prosthodontic Society, the Australian Osseointegration Society and the current president of the Bennett Movement Dental Study Club. David completed his Bachelor qualification in 1991, graduating with first class honors and four academic awards in his final year. Prior to this he had accepted a commission from the Royal Australian Navy and on graduation took up his position as a Dental officer and served at numerous locations in Australia and with the United Nations in Rwanda. David commenced his full time Masters study in 1996 and graduated in 1998. After completing his specialist training he served his remaining time with the Navy in Canberra and Brisbane. David has been an examiner and lecturer at both undergraduate and postgraduate level at the University of Queensland Dental School and the Griffith University Dental School and he has lectured extensively on Prosthodontics and Dental Implants throughout Australia and internationally. Since 2000, he has conducted a Specialist Prosthodontic practice in South Brisbane and Camp Hill and he has a special interest in full arch implant supported restorations and CAD/CAM integration in Prosthodontics.

**Dr Justin Boulton** regularly lectures nationally on a range of aesthetic dentistry and Prosthodontic topics. Presently, Justin teaches part-time in the postgraduate Prosthodontic Masters Degree at the University of Queensland Dental School and maintains a private prosthodontic practice in Brisbane. He completed an undergraduate degree in 1986 and postgraduate degree in 1992 at the University of Queensland. He is a fellow of the Royal Australasian College of Dental Surgeons and the International College of Dentists.

**Dr Michael Lewis** graduated from undergraduate dentistry in 2003 with honours and completed his Doctor of Clinical Dentistry in Prosthodontics at the University of Sydney in 2010. During his Specialisation program at Westmead Hospital he received extensive training in aesthetic and implant dentistry, conventional crown and bridge prosthetics with a particular interest in fixed-tooth replacement. He is the proud recipient of the John H Wilson prize for proficiency in Prosthodontics and the Campbell Harry Graham prize in Prosthetic Dentistry. He is deeply passionate about microscope dentistry and has used the dental microscope exclusively for all aspects of dental treatment since 2016. In 2013 Michael moved to Brisbane to join Dr Bill Bruce in private practice. Following Bill's retirement Michael was lucky enough to partner with Dr Amy Lee to continue Dr Bruce's legacy. Together they service the greater Brisbane area and the Sunshine Coast. Michael is heavily involved in continuing education, and frequently speaks to local study groups around Brisbane. In addition he is also blessed with casual teaching roles for the University of Queensland and The University of Sydney. Michael currently serves as president of the Queensland branch of the Australian Prosthodontic Society and Vardiman Dental Study Clubs.

**Dr Keith Doonan** qualified from the Royal London Hospital Medical College Dental School in 1993, he later completed his Masters in Prosthodontics from Kings College London and now works in private practice performing implant surgery and prosthodontics. He has presented over 200 dental courses in Australia, New Zealand, UK, South Korea, Hong Kong and Italy. He is a mentor of the Royal Australasian College of Dental Surgeons, a past visiting Senior Lecturer for UQ dental school and is on the educational faculty of Dental Protection. He has organised live surgery hands on implant courses for the last 10 years and has supervised many dentists place their first implant. In his spare time he is involved in short films, theatre and stand up comedy and he is also quite tall.

The Prosthodontics Update 2020 event is organised by the Queensland Dental Group™ ACN 139051362, ABN 32139051362. Participants may use this course to meet CPD requirements as set by the Dental Board of Australia. CPD Verification has also been received from the New Zealand Dental Association (NZDA). For Australian and New Zealand dental practitioners, the maximum hours of CPD credit attainable for attending Prosthodontics Update 2020 is 15 hours. The Queensland Dental Group™ guarantees advertised courses are compliant with the current Dental Board of Australia guidelines on continuing professional development. NZDA verifies, that based on the information provided to NZDA, these activities meet the Dental Council policy requirements for CPD. NZDA CPD verification does not imply promotion or endorsement of the contents of any course. Participants need to use professional judgment to assess the validity and usefulness of techniques, materials or therapeutic products to their own practice. Registration for Prosthodontics Update 2020 includes morning refreshments, lunch & afternoon tea. The Early Bird registration rate is available for the Prosthodontics Update 2020 for registrations received and paid in full by the 31st of March 2020. No sponsorship has been sought for the event to allow all presenters to provide their own unbiased views, opinions and preferences. Registration for this event does not include insurance of any kind and it is strongly recommended that participants arrange their own travel and other insurances. The organisers reserve the right to make changes from time to time and will, if appropriate, make such information available on the website. A full list of terms and conditions and the privacy policy may be requested in writing or viewed through the website link at [www.qdg.com.au](http://www.qdg.com.au).

**Cancellation Policy:** Any registered participant wishing to cancel their registration must do so in writing via email or mail. Any registered participant whose cancellation is received in writing at least twenty (20) business days prior to a course for which the participant is registered for, will receive a refund of 75% of the registration fee. Any registered participant who cancels his or her registration within twenty (20) business days prior to a course for which the participant is registered for, will not receive a refund of the registration fee. The organiser will have no further responsibilities nor be liable for any loss of income or cancellation fees of travel arrangements or accommodation or other monies expended by the participant.
